Santa visits AtlantiCare Regional Medical Center's Professional Development and Recognition Council *Man in red applauds nurses' good work*

Santa hands out gifts during AtlantiCare Regional Medical Center's (ARMC) Professional Development and Recognition Council's December meeting and holiday party.

More than 20 members of AtlantiCare Regional Medical Center's (ARMC) Professional Development and Recognition Council (PDRC) received a visit from Santa during their December meeting and holiday party. Santa thanked the nurses for their good work throughout the year in helping their colleagues grow professionally and in recognizing colleagues' personal and professional accomplishments.

More than 20 members of ARMC's Professional Development and Recognition Council received a visit from Santa during their December meeting and holiday party. Santa thanked the nurses for their good work throughout the year in helping their colleagues grow professionally.

The American Nurses Credentialing Center's (ANCC) Magnet Recognition Program® for excellence in nursing services again designated AtlantiCare Regional Medical Center (ARMC) as a Magnet hospital in October, 2008. ARMC became the 105th hospital in the nation to attain status as a Magnet™ designated hospital in March of 2004.

-30-

AtlantiCare is a regional healthcare organization based in Egg Harbor Township, New Jersey, whose more than 4,740 employees serve the healthcare needs of the community at more than 60 locations. It includes AtlantiCare Regional Medical Center (ARMC), the AtlantiCare Foundation, AtlantiCare Health Plans, AtlantiCare Behavioral Health and AtlantiCare Health Services. ARMC became the 105th hospital in the nation to attain status as a Magnet™ designated hospital in March of 2004 and was redesignated a Magnet™ hospital in 2008.
