

"Healthy Minds in Motion" Easy Strategies to Incorporate Health & Fitness into Your Classroom

April 30, 2010

9 a.m. - 2 p.m.

AtlantiCare Life Center

Community Room

2500 English Creek Avenue

Egg Harbor Township, NJ 08234

Are you and your students bored with the same educational activities and drills? This workshop will provide you with exercises which can be incorporated into your existing curriculum that will increase the activity levels of your students while reinforcing new concepts. Each workshop participant will leave with activities to invigorate your students with short spurts of physical activity and movement.

Participants should plan on wearing comfortable clothing while attending the workshop.

Audience: Kindergarten - 6th Grade Classroom Teachers
Professional Development hours to be offered. Lunch to be included.

Price: \$30/person, \$25/Healthy Schools Member

Registration is limited to first 40 participants.

Please register through the AtlantiCare Access Center at 1-888-569-1000.
