

# LIFELINE AT A GLANCE

ENHANCING CONFIDENCE AND INDEPENDENCE

**What is the Lifeline personal response service?** Friendly, caring support to allow older adults to get immediate assistance in a medical emergency or when help is needed. Since 1974 Lifeline has helped millions of elders and those with disabilities to live at home with full confidence. Their families and health providers have peace of mind knowing that the Lifeline service will help summon appropriate help when needed.

**The Service is simple to use.**

When you need help you just press the waterproof Personal Help Button you wear around your neck as a pendant or on your wrist. Within seconds a certified Lifeline monitor responds, assesses the situation and summons appropriate help, whether it is a neighbor, relative or ambulance.

**Who responds when I press my button?** Lifeline Monitors receive extensive training and on-going certification to qualify them to handle each situation in a timely, complete, caring and professional manner.

**With Lifeline help is assured.**

Lifeline is NOT just for medical emergencies. Lifeline allows you to:

- Answer the telephone without having to rush to grab a handset and risk falling
- Maintain your peace of mind knowing that help is just a press of a button away
- Feel a stronger sense of well being

**How much does the service cost?** For little more than a dollar a day, you get the Lifeline Personal Response Service. You are not required to buy anything or make a long-term commitment.

**Call today to get your Lifeline.**
