Martha B. Keates Nursing Fellowship Fund

The Martha B. Keates Nursing Fellowship Fund

Purpose:
The Martha B. Keates Nursing Fellowship Fund was established by the AtlantiCare Regional Medical Center, Atlantic City Campus Auxiliary, to honor their long time volunteer Martha B. Keates for her valued community service and to support nursing at AtlantiCare Regional Medical Center.

Eligibility:
- Applicants must be graduating high school seniors who are enrolled in a 4 year degree program or have completed the pre-requisites required at an accredited college or university in a nursing studies program.
- Applicants’ home address must be within Atlantic County.
- Applicants should submit a complete application along with a 250 word essay and any supporting documents available by June 15, 2014.

Restrictions:
Children and grandchildren of the City Auxiliary for the AtlantiCare Regional Medical Center, are ineligible to apply for the fellowship program due to a potential conflict of interest when awards are being considered. Previous Martha B. Keates fellowship recipients may not reapply.

Fellowship Terms & Conditions:
Fellowship recipients must enroll in and attend an accredited college or university with tuition requirements in the academic year following their selection. Verification of enrollment is required. Fellowship funds will be paid via check directly to the accredited college or university in which the student is enrolled. Fellowship funds will not be paid directly, nor reimbursed, to an award recipient. Fellowship funds will be applied toward tuition fees or book purchase and other appropriate educational expenses, as determined by the Martha B. Keates Nursing Fellowship Fund Committee. For every $4,000 awarded an expectation of one year of service to AtlantiCare may be required at the discretion of ARMC. The amount of the disbursement is at the discretion of the City Auxiliary. Volunteer service at AtlantiCare is also not an indication that the recipient will be automatically rewarded; it is a competitive selection process.

Supporting Documents:
Any documents that support the community service or volunteer work that the applicant has participated in should be included with the application. This would include any awards, certificates or commendations that you may have received in reference to your volunteer work. Additionally, we request a copy of your transcripts including class rank and two letters of recommendation from a non-relative.
