

Chefs in the Classroom

Our team, along with Chef Shara, our partner from Happy Heart Corner, will visit your school for an in-person healthy cooking demonstration and tasting.

Program Information:

Chef Shara along with our school health specialists will visit during your school day for a special nutrition lesson along with a cooking demonstration and tasting of a healthy recipe.

This demo is appropriate for all students in grades K-12. Recipes are carefully adjusted based on student allergies. Please check with the school nurse, teachers, and parents for student allergy information prior to submitting request.

Deadline for requests: May 1, 2026

Guidelines

- Schools may only request 1 demonstration per school year.
- Requests must be made at least 3 weeks in advance.
- Each demo can accommodate up to a maximum of 50 students.
- Preferred if demos are held in a larger space.
- All food allergy information must be indicated via the request form prior to the scheduled date.
- Schools must provide access to an 8ft. long folding table and large garbage can.
